

Kindness has knocked!

Someone has gifted you with a random act of kindness. Please keep the kindness going by doing the following...

Step 1.) Hang the Kindness Lives Here sign on your front door or in a front window.

Step 2.) Within two days, print two copies of the Kindness Lives Here sign & instructions. You can copy this page or visit www.clarksburgyoga.com to print.

Step 3.) Put together two new Acts of Kindness packages to pass along to someone. Acts can include small gifts or kind notes, along with the printed materials.

Step 4.) Secretly share Random Acts of Kindness with two neighbors whose doors don't have a Kindness Lives Here sign.
